
you can\'t really eat chocolate with _everything_

Posted by trubliphone - 2008/03/10 21:36

Is it just me, or does Willie add chocolate to everything he cooks? Do you think he and his family really eat like that, or is it just a giant promotional video for his product? Coming soon: chocolate flavoured fried breakfast!

I,m doubtfull you can add chocolate to every-
thing you eat-cook.I love chocolate,but i
think it wouldn,t work -taate good ! Fried
chocolate chicken anyone?:woohoo:
