
Best chocolate cake you've ever had?

Posted by annabelt - 2008/03/11 18:05

What was the best chocolate cake you've ever had? I'd be torn between my wedding cake, the mocha wedding cake I made for my brother (I know I'm so modest :P) or the 'Decadent Chocolate Cakes' my mum used to make from the Silver Palate Cook Book when I was a student. (thanks mum :)
